This resolution to be communicated to the President, Civil and Military Station Municipality.

III. Application from Venkataramana Mestri of Arlepete, requesting permission to erect a stone mantap under the bund of Agrahar Tank for the use of the public, together with Mr. B. Murry Gungiah's report thereon.

Resolution.—The Commissioners consider it would be undesirable to permit any building to be erected on the site applied for, but if the applicant would consent to erect the mantap on the front slope of the tank with steps leading to water, permission may be accorded to him subject to the condition that the work should be in accordance with the specification to be furnished to him by the Municipality.

IV. Proposal to charge rent for the occupation of vacant sites on the Fort glacis.

Resolved by a majority of the Commissioners present that a fee be levied at the rate of half an anna a cart entering in the enclosure provided by the Municipality on the Fort glacis.

Additional Proposition.

I. Letter from Mr. J. Cameron, Municipal Commissioner, No. VI Division, dated 22nd instant, proposing the removal on sanitary grounds of the villages of Upparahalli and Dobbspete situated near Miller Tank No. 1 and also suggesting that garden cultivation near the said tank may be prohibited on the same grounds.

Resolution.—Pending the settlement of the general water-supply question, on which the present proposition is dependent and also having regard to the decision which has already been arrived at by Government in the matter, the consideration of this question be deferred.
